TO: Members of the House of Representatives

FROM: Gary Aubuchon, Chair

SUBJECT Daily Order of Business – March 24, 2011

Good morning –

Members, today we will follow the Daily Order of Business as required by House Rule 10.2. Under the order of business of Communications, we will take up motions to pass CS/HB 7103 and CS/CS/HB 1207 (both passed during the 2010 Regular Session), the veto of the Governor notwithstanding. After the adoption of the Special Order Report and the Procedures for Committee and Floor Action on the General Appropriations Bill and Related Bills, I anticipate that Representative Waldman will move today to structure debate on the third reading of CS/HB 1021 (on Third Reading tomorrow) as follows:

- Debate will be limited to 1 hour per side in 15 minute increments, total debate time not to exceed 2 hours
- Opening and closing time to be included in the total debate time
- No Member may be recognized more than once
- Majority and Minority Leaders each to designate a floor manager who may speak in debate and yield to other members
- All recognitions must go through the Speaker

There are 30 bills on Special Order. The first two are joint resolutions setting the effective dates for the bills passed over the veto of the Governor. These two joint resolutions (HJR 7103 and HJR 7105) will be rolled to Third Reading and immediately certified to the Senate. I also anticipate rolling all of the repealer bills to Third Reading and passing those out today.

Please do not hesitate to reach out to me or the staff of the Rules and Calendar Committee whenever we may be helpful to you.

Kind regards,

Gary Aubuchon, Chairman
House Rules and Calendar Committee
